## KERALA STATE RUTRONIX

[www.keralastaterutronix.com](http://www.keralastaterutronix.com)

KERALA STATE RUTRONIX was set up by the Government of Kerala, in 1990 as the apex body of 18 Rural Women's Electronics Industrial Co-operative Societies in the state. KERALA STATE RUTRONIX has reached its presence through out the State and has established a unique identity and integrity of its own. It manufactured and supplied much acclaimed and well known products like KELTRON, Kamal Radios, ONIDA TVs and Pamba Electronic chokes to their respective brand name holders. Computers, UPS, EPABX system, CF lamps, Solar Electric Devices, Electronic Calculators and VCDs are some other products of KERALA STATE RUTRONIX. It has implemented several software projects for a number of public sector organizations under the Government of India and the State Government, as well as for international agencies like the W.H.O.

As part of the Golden Jubilee Celebrations of our State and with the aim of empowering women through modern technology, RUTRONIX had launched and successfully implemented a programme on software to provide 'Employment Oriented Computer Training at Affordable Cost to All'. In its second phase, KERALA STATE RUTRONIX launched the programme on Multimedia to meet the demand of an exciting vista of opportunities in multimedia sector and with the objective of meeting the requirements of enterprises from local resources, while improving the skill-sets of trained manpower and to raise their earning capacity. As part of the third phase, KERALA STATE RUTRONIX introduced the Hardware based programme.

Groware Education Solutions LLP is the principal affiliate of KERALA STATE RUTRONIX, for various courses in the 'Software', 'Hardware' and 'Multimedia' streams and has been successfully providing services & solutions for years.

With a team of Academic Experts and Cyber Professionals, Groware has partnered with Kerala State Rutronix to conceive, develop and implement several long-term and short-term Government projects in the IT Education sector and the synergized efforts have trickled down to various educational organizations, including Arts & Technology Institutes, Skill Development Centers, Colleges and Summer Vacation Programs for schools. As part of Golden Jubilee Celebrations of the formation of Kerala State, SOFTWARE stream was launched in 2006, MULTIMEDIA stream was launched in 2008 and HARDWARE stream was launched in 2009 with the goal of providing "Employment Oriented Computer Education at Affordable Cost to All".

Since then, significant strides have been taken in developing and implementing statewide programme in Software, Hardware and Multimedia domains. Groware has been engaging IT Research teams to understand the developments in IT sector continuously and identify latest trends & skill sets needed to develop and upgrade courses accordingly. The in-house team at Groware comprises of Academic, Design & Marketing Disciplines.

# FASHION & BEAUTICIAN

The project is an initiative of Kerala State Rutronix in association with Groware Education Solutions, and it focuses on imparting quality-training in the Fashion related domain. The vision is to empower and enrich the learner's versatile skill sets, and introduce them to the world of fashion. ## FASHION &amp; BEAUTICIAN

## SHORT TERM PROGRAMMES

Short-term certification programs are ideal for anyone looking to get professional training and instruction, in a short period of time. Aspirants can enter the workplace with improved skills. They are especially useful for those who do not have the time or money to disrupt their lives but wish to improve their skill set.

Most of the programs have hands-on practical training which either helps the job seeker to find a new career or help a professional in their career growth. Ultimate aim of our certification program is to let the person grow individually and academically resulting in an overall benefit for the aspirant.

These Rutronix Certified programmes last for two months (120 Hours) and can be applied with a basic qualification (8th and above).

### Certified Courses Are

01. Garment Making & Surface Ornamentation
02. Embroidery & Needle Work
03. Garment Stitching
04. Jewellery Making
05. Fashion Art & Craft
